1.Aims

This policy aims to:

- Provide a consistent approach to behaviour management that is applied equally to all pupils
- Define what we consider to be unacceptable behaviour, including bullying and discrimination
- Outline how pupils are expected to behave
- Identify any safeguarding concerns that are the root of any unacceptable behaviour
- Summarise the roles and responsibilities of different people in the school community with regards to behaviour management
- Outline our system of rewards and sanctions
- Consider what extra support can be offered to groups of pupils who are at a higher risk of suspension (permanent or temporary), or pupils who are particularly vulnerable to the impact of suspension.

2. Legislation and statutory requirements

This policy is based on advice from the Department for Education (DfE) on:

It is also based on the [Special Educational Needs and Disability \(SEND\) Code of Practice](#).

In addition, this policy is based on: [Schedule 1 of the Education \(Independent School Standards\) Regulations 2014](#); paragraph 7 outlines a school's duty to safeguard and promote the welfare of children, paragraph 9 requires the school to have a written behaviour policy and paragraph 10 requires the school to have an anti-bullying strategy

5. Roles and responsibilities

The governing body - are responsible for monitoring this behaviour policy's effectiveness and holding the Senior Leadership Team to account for its implementation.

The Senior Leadership Team - will ensure that the school environment encourages positive behaviour and that staff deal effectively with poor behaviour, and will monitor how staff implement this policy to ensure rewards and sanctions are applied consistently to all groups of pupils.

The Senior Leadership Team - will ensure that this behaviour policy works alongside the safeguarding policy to offer pupils both sanctions and support where necessary.

The Senior Leadership Team - will monitor behaviour data to make sure that no groups of pupils are being disproportionately impacted by this policy.

Staff are responsible for:

- Implementing the behaviour policy consistently
- Modelling positive behaviour
- Providing a personalised approach to the specific behavioural needs of particular pupils
- Recording behaviour incidents

The senior leadership team - will support staff in responding to behaviour incidents.

Parents are expected to:

Support their child in adhering to the pupil expectations Inform the school of any changes in circumstances that may affect their child's behaviour

Discuss any behavioural concerns with the class teacher promptly

6. Pupil Code of Conduct

Pupils are expected to:

- Behave in an orderly, safe and self-controlled way
- Show respect to members of staff and each other
- In class, make it possible for all pupils to learn
- Move sensibly and safely around the school Treat the school buildings and school property with respect
- Wear the correct uniform
- Accept sanctions when given
- Refrain from behaving in a way that brings the school into disrepute, including when outside school

7. Rewards and sanctions

Please refer to our Behaviour and Relational Practice document which details school level rewards and sanctions.

Zero-tolerance approach to sexual harassment and sexual violence.

The school will ensure that all incidents of sexual harassment and/or violence are met with a suitable response, and never ignored. Pupils are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be.

The school's response will be:

- Proportionate
- Considered
- Supportive
- Decided on a case-by-case basis

The school has procedures in place to respond to any allegations or concerns regarding a child's safety or wellbeing. These include clear processes for:

-Responding to a report

-Carrying out risk assessments, where appropriate, to help determine whether to:

- Manage the incident internally

- Refer to early help
- Refer to children's social care
- Report to the police

Please refer to our child protection and safeguarding policy for more information.

Off-site behaviour:

Sanctions may be applied, in some instances, where a pupil has misbehaved off-site when representing the school. This means misbehaviour when the pupil is:

- Taking part in any school-organised or school-related activity (e.g. school trips)
- Travelling to or from school
- Wearing school uniform
- In any other way identifiable as a pupil of our school
- Sanctions may also be applied where a pupil has misbehaved off-site at any time, whether or not the conditions above apply, if the misbehaviour:
 - Could have repercussions for the orderly running of the school
 - Poses a threat to another pupil or member of the public
 - Could adversely affect the reputation of the school

Sanctions will only be given out on school premises or elsewhere when the pupil is under the lawful control of the staff member (e.g. on a school-organised trip).

Malicious allegations

Where a pupil makes an allegation against a member of staff and that allegation is shown to have been deliberately invented or malicious, the school will discipline the pupil in accordance with this policy.

Where a pupil makes an allegation of sexual violence or sexual harassment against another pupil and that allegation is shown to have been deliberately invented or malicious, the school will discipline the pupil in accordance with this policy. In all cases where an allegation is determined to be unsubstantiated, unfounded, false or malicious, the school (in collaboration with the local authority designated officer, where relevant) will consider whether the pupil who made the allegation is in need of help, or the allegation may have been a cry for help. If so, a referral to children's social care may be appropriate. The school will also consider the pastoral needs of staff and pupils accused of misconduct. Please refer to our child protection and safeguarding policy for more information on responding to allegations of abuse against staff or other pupils.

8. Behaviour management

In our Primary School and nursery provision we aim:

- To maintain a caring, orderly community in which effective learning can take place and where there is mutual respect between all stakeholders.
- To help children develop a sense of worth, identity and achievement
- To help children to form positive internal working models of self, others and the world
- To help all children to accept responsibility for their own actions and to consider the impact of their behaviour upon relationships through the use of restorative approaches
- To develop in all children the ability to listen to others; cooperate and to appreciate other ways of thinking and behaving
- Communicating expectations of behaviour in ways other than verbally
- Highlighting and promoting good behaviour
- Concluding the day positively and starting the next day afresh
- Having a plan for dealing with low-level disruption
- Using positive reinforcement

Our aims, we believe, are achieved when:

- We create a positive school culture and climate which is consistently safe and caring that fosters connection, inclusion, respect and value for all members of the school community, promoting strong relationships between staff, pupils and their parents/carers
- We recognise that being 'fair' is not about everyone getting the same (equality) but about everyone getting what they need (equity) through appropriate support.
- Staff understand that behaviour is a form of communication of an emotional need (whether conscious or unconscious). With support with unconditional positive regard, pupils can be helped to behave in more socially acceptable/appropriate ways. That relationships are key and that there is "connection before correction"
- Pupils are provided with excellent role models
- Not all behaviours are a matter of 'choice' and not all factors linked to the behaviour of children and young people are within their control.
- Staff have high expectations and maintain boundaries at all times to ensure pupil needs for consistency, predictability and security are met. There will be times when we need to be flexible around boundaries depending on pupil needs. We always make reasonable adjustments.

8.2 Removal from classrooms

Staff will only remove pupils from the classroom once other behavioural strategies have been attempted, unless the behaviour is so extreme as to warrant immediate removal. Removal can be used to:

- Restore order if the pupil is being unreasonably disruptive

- Allow the disruptive pupil to continue their learning in a managed environment
- Pupils will be removed from the classroom for a limited amount of time.

Physical restraint

In some circumstances, staff may use reasonable force to restrain a pupil to prevent them:

- Causing disorder
- Hurting themselves or others
- Damaging property Incidents of physical restraint must:
- Always be used as a last resort
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Be recorded and reported to parents

Confiscation

Any prohibited items (listed in section 3) found in pupils' possession will be confiscated. These items will not be returned to pupils. We will also confiscate any item which is harmful or detrimental to school discipline. These items will be returned to pupils after discussion with senior leaders and parents, if appropriate. Searching and screening pupils is conducted in line with the DfE's latest guidance on searching, screening and confiscation.

8.5 Pupil support

The school recognises its legal duty under the Equality Act 2010 to prevent pupils with a protected characteristic from being at a disadvantage. Consequently, our approach to challenging behaviour may be differentiated to cater to the needs of the pupil. The school's special educational needs co-ordinator will evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met. Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs. When acute needs are identified in a pupil, we will liaise with external agencies and plan support for that child. We will work with parents to create the plan and review it on a regular basis. The school will anticipate likely triggers of misbehaviour and put in place support to try to prevent them.

8.6 Safeguarding

The school recognises that changes in behaviour may be an indicator that a pupil is in need of help or protection. We will consider whether a pupil's misbehaviour may be linked to them suffering, or being likely to suffer, significant harm. Where this may be the case, we will follow our child protection and safeguarding policy.

9. Pupil transition

To ensure behaviour is continually monitored and the right support is in place, information related to pupil behaviour issues may be transferred to relevant staff at the start of the term or year

10. Training

Our staff are provided with training on managing behaviour, including where appropriate use of restraint through PIPS (Passive Intervention and Prevention strategies). Behaviour management will also form part of continuing professional development.

11. Policy Circulation

11.1. This Policy will be published on the School's website and included in the School's Policy Monitoring Schedule.

11.2. This Policy will be circulated to every Governor and Employee by email on an annual basis and when each new Governor or Employee joins the school.
