Dear Parents,

Please find below our Spring term 1 extended schools plan. Our 'Big Activity Club' is open to all and intends to offer a range of opportunities to capture the interest of our children; the £1.00 for the session (15:30-16:30) is used to invest in further materials and equipment for the children. Most of our sports clubs are currently funded by school, except for Miss Squires Street Dance, which requires a £5.00 donation - permission slip below.

**Autumn 1: The Big Activity Club – STARTS FIRST WEEK BACK**

Monday	Get Active: if you start the week with something fun and physical then Ms. Jonas wants you to jump right into this club!	Leader: Ms. Suzie Jonas
Tuesday	Construction Club with Lego. Come and use your designing and making skills to get creating!	Leader: Miss. Pawlik
Wednesday	Music and Movement: if you love expressing yourself through music then this club is a must for you!	Leader: Mrs. Hurdwell
Thursday	Table Tennis: the perfect sport for winter because it's indoors! We'd love to get a team together.	Leader: Mr. Walkerdine
Friday	Arts and Crafts: if you love expressing yourself with different arts and crafts, come along and try this club!	Leader: Mrs. Weatherston

Please provide your child with a snack if you think they need one.

**Sports Clubs in Spring 1 - START SECOND WEEK BACK (w/c 13th January)**

*please tick, tear and return to school*

Child's name: \_\_\_\_\_ Year: \_\_\_\_\_

	Club and provider	Please tick to sign up	Signed
Monday	Tag Rugby with OCRA ready for the tournament in March. 15:30 – 16:30.

Aquathlon	Meadowlands	NA	3 <sup>rd</sup> July	CL & parents

**Cross country competitions:** We will invite any KS2 children who would like to represent Milton Abbot School to let us know and we will send a letter home. We will require parental support with transport.

**Swimming Gala:** We will invite children to put their name forward to represent the school at the Swimming Gala in February and a letter will be sent home. The hosts have suggested Year 4 to 6, but we know we have some talented Year 3 swimmers and welcome them to put their name forward. It would be really helpful if you could talk to your child about this opportunity to ensure they feel confident and ready to step forward. Thank you.

**Sports Clubs:** Our aim is to ensure that every child has the opportunity to represent the school at a competition. Please encourage your child to have a go at a sports club, even if they think they can't, we can teach them and support them.
