

After School Clubs are BACK!

Dear Parents,

We are very pleased and excited to begin to build back our extended schools offer with the following list of after school clubs. We hope your child can find something to enjoy and urge everyone to get involved and get active, especially during these sunnier days! You will see that we are once again offering a variety of themes for our Big Activity Club, which is open to every child for just **£1.00** to cover resources. The session runs from 15:30-16:30. **Most of our sports clubs are currently funded by school but places currently need to be limited, so please return the permission slip below by Friday 30th April. Covid Care:** all clubs will adhere to continuing strict Covid guidelines and when indoors, 'bubbles' will be kept apart at the recommended distance.
